Tengku Adika Suryatama (Dika) has had experience in working various matters at SSEK, with a focus on general corporate and litigation matters.

Prior to joining SSEK, Dika had the opportunity of interning at another of Indonesia's largest law firms, assisting in matters such as working on an advisory to a potential foreign investor on data privacy, assisting in the legal due diligence for an acquisition of a bank, and assisting the firm in representing a creditor in the Suspension of Debt Payment Obligations case of one of Indonesia's largest airlines.

While at university, Dika was active in numerous organizations and event committees, with a focus on the Asian Law Students' Association (ALSA). Furthermore, Dika joined Universitas Indonesia's delegation in the 2022 ALSA International Moot Court Competition, an international moot court competition focusing on investment arbitration, where the team was received the honors as the Second-Runner Up Team, Best Claimant Memorial, Second Best Respondent Memorial, and the Best Overall Team. Individually, Dika was ranked as the Second-Best Advocate in this competition.
